## ¡Bienvenidos a Rincón!

**We are dedicated** to make your stay as enjoyable as possible. Please let us know any questions or concerns that may arise throughout your time here. If you notice anything in disrepair please inform us right away from stains to breakages etc.

You will notice **GPS coordinates** are the most effective way to find your destinations and work best with Google Maps App. on almost all smart phones.

**WIFI password** is located on the router itself. If you have trouble finding it just text us.

Rincon's amazing **beaches** are for your enjoyment. They are beautiful, but are ever changing. There are days that are like a quiet pool and days that can be treacherous. Please use common sense or ask if in doubt. Please treat them with respect, always clean up after your self and try your hardest not to step on the coral as it will damage them.

**Beach towels and chairs** are provided. Please remove sand and return to house when you leave.

For your own (and the property's) comfort throughout your stay please rinse off before entering back inside.

While Rincon is a very safe town, please use common sense. Not recommended to leave belongings on beach out of sight or in car in plain view, and do lock doors when no one is in house.

This is a **non-smoking** building and there will be a substantial charge for any evidence of smoking inside or clean up outside house. Please do not dispose of cigarettes on beach, as beaches are nesting grounds for the leatherback turtles and we take pride in trying to keep our beaches as pristine as possible.

# Check in

**-Island Arrival-** As things change and advance with COVID please stay up to date with island arrival requirements.

For updated COVID travel info please visit:

<https://www.discoverpuertorico.com/info/travel-advisory>

**-Check in-** Please see the arrival arrangements info sent to you by email and/or text. Upon checking in, please notify us of anything that is in disrepair or needing attention. We appreciate your assistance in keeping our properties in the best shape possible.

**-Contact-** Please don't hesitate to contact us with any questions or concerns throughout your stay.

**Erica-787.223.9146//**

**Ryan-787.238.6422//**

# Appliances etc.

## **AC-**

Meant to be used when in bedrooms with doors closed. Please TURN OFF when you leave or are not in room. If you leave doors open and try to cool entire house or have windows open they will freeze up and discontinue working and cause excessive damage to the machines themselves. If any staff is passing by and notices an AC on and nobody is home we will enter to turn it off.

## **TV-**

Make sure tv and cable box are both on (TV on ch. 3 or 4), press cable button on top of black remote, then guide, and select to choose channel. Tv remote is only used for on/off and volume.

## **Refrigerator-**

Please keep set on medium temperature. Most likely when you fill with your original food purchase it will take about a day to catch up and regulate again. It will not help to turn it colder but will actually have the opposite effect and not allow the fridge to work properly.

## **Washer/Dryer-**

There for your convenience and comfort. Please shake out excess sand before loading or it will damage machines. Do not overload with heavy items.

## **Cooking-**

There are many great dining options in the area but Edwards supermarket ([efamcoop.com](http://efamcoop.com)) is our choice when wanting to cook in. Local fruit and veggie stands are fantastic for produce and Sunday morning farmer's market (8am-1pm) ([Facebook.com/Mercado-agroecologico-de-Rincón](https://www.facebook.com/Mercado-agroecologico-de-Rincón)) is also a great resource. You will find your kitchen is well equipped, if you lack of anything please let us know. There is also a grill outside. Let us know if you switch propane tank for backup so we can fill it again for the next tenants. You will find grill tools. Please clean and return when you finish with them.

**-Pool service** (if applicable) for most properties is on Monday and Friday. You may see our pool crew cleaning throughout your stay. Pumps and waterfalls are on timers and will come on automatically. If you notice the pool is cloudy or needs attention please let us know. Because of tropical rains, chemical levels are more difficult to maintain and affected significantly by sunblock, beverages, urine etc. Please do your best to wash off before entering.

# Restaurants

**Online resources:** Rincontogo.com

Delivery also: Munchies Puerto Rico App Facebook:  
lockdown 2020 takeout and delivery

**Cafe 413** (plaza) International cuisine Breakfast, lunch,  
dinner, amazing baked goods 939-697-8188

# Check out

Please exit property fully by 10/11am (depending on property) so we have the time needed to fully prepare for our next guests.

If you didn't enjoy your stay for any reason or feel there are improvements we can make please share it with us DIRECTLY. Your feedback helps us to keep our level of service as high as possible.

Otherwise, please take a moment to leave us a positive review on VRBO/AirBnb!!!

Please-

- 1) Turn off all lights, fans, and ACs
- 2) Wash dishes
- 3) Dispose of trash in pails on street.
- 4) Put keys in lockbox
- 5) Let us know when you are departing

Cleaning fee covers regular cleaning. Any excess dishes, sand, or general mess will be subject to an additional fee. If keys are lost during your stay a \$50 fee will be charged.

Late check out is AT TIMES available upon request. If not approved you will be subject to an additional service fee.

**HAVE A SAFE TRIP!!!!!!**

**THANK YOU FOR CHOOSING**

*Kare Management*
